Week 5 Hand review

Really Easy Practice 2: Set 6 Hand 3

This hand had been played as a set hand twice before this "term". The results were not as the book line.

We bid the hand in tables, and then reviewed the bidding.

We played the hand in tables and then reviewed the play.

The same hand was also played this time (with suit swaps to make it less obvious). See overall results.

Details for the hand and analysis are not being put on the web.

Today's set hands

All hands were played earlier in the term with mixed results – to see if folk could do better on a second attempt.

Week 5 Play

Play

Divide yourselves into pairs and then into tables.

This week I may ask you to move.

NS have the pair number of their table, N has his back to the screen.

EW have the pair number of their table plus 8.

When you have played a hand, pass it to the next numbered table in sequence. The highest numbered table passes to table 1.

And one last thing – **as part of the learning process** – I would like the partner of whoever has just bid to take whatever action is **standardly required** (announcing 1NT to be 12-14 points, ALERTing a conventional bid, ...) – **AND ALSO** to give a brief **description** to the other three players on **what the bid means**.

Any questions?

Tea / coffee & biscuit. (20p)
