

U3A Intermediate Bridge 2018-19

Week 4 Welcome

Steve Bailey

U3A Intermediate Bridge 2019-20

Autumn tournament

Each Autumn and each Spring we reserve one session for playing a standard duplicate event.

The Autumn event will be on November 8 (the first session of the month).

Please sort yourselves into pairs and **write down** your **agreed system**.

Then form yourselves into fours. The fours have no significance at all, other than ensuring each table is full. Anyone who says they will play should attend. If you fail to turn up, the other 3 in your group will not be able to play.

You can use the group email to send a message to all members of the group saying you are seeking a partner – or are a pair seeking another pair.

If necessary, it may be possible to find an external "expert" to partner someone. This will require a couple of weeks notice to arrange.

Please email me your fours (two pairs) as soon as possible. The event will be between 9 and 12 boards in 100 minutes with 20 minutes to score it and award the fine 40p party trophies to the winning pair.

Please arrive at least 10 minutes early to help set up and to shuffle.

Week 4

There was no presentation, just set hand play.

U3A Intermediate Bridge 2018-19

Week 4 Play

Play

NS have the pair number of their table, N has his back to the stage.
EW have the pair number of their table plus 8.

Play boards in sequence. Have an incoming pile and an outgoing pile. Pass outgoing to next lower numbered table – Table 1 to highest table.

Many boards have instructions on coloured card. **The appropriate people should read each card at the time it says and follow its instructions.**

If you play a board twice, record second play on traveller with pair numbers PLUS TEN (eg 1 v 9 becomes 11 v 19)

As part of the learning process – I would like the partner of whoever has just bid to take whatever action is **standardly required** (eg announcing 1NT to be 12-14 points, ALERTing a conventional bid, ...) – **AND ALSO** to give a brief **description** to the other three players on what the bid means.

If you wish to fill in a personal results card, they are available here. They are commonly used at duplicate clubs.

Any questions?

Tea / coffee & biscuit. (20p)

Week 4 Set hands

Set hand sources

All the set hands are taken from the Tudor Bridge Club published deals.

The original **PRE-ROTATION** deal may be viewed on the Tudor website at: https://www.bridgewebs.com/cgi-bin/bwom/bw.cgi?club=tudor&pid=display_past&sessid=240285004466178 then select an event (by date) and click "Travellers". (For earlier years, click "Next Page".)

The historic results (those that actually occurred at the Tudor are listed, sorted into order with best for the L7★ at the top and best for the others at the bottom). The achieved results are slotted in to the relevant place in the lists and the usual "2 for a beaten pair, 1 for an equalled pair" scheme shown (comparing each play only with the Tudor results). At the end an overall percentage is shown for each pair.

Tudor **in green.**

U3AIB **in blue.** (Pairs 5..8 & 13..16)

There is no reference this week. Rotation defined by position of A♠.

A few of the boards were also played in week 803 (**Pairs 1..4 & 9..12**).

Do not bid 3NT over a Pre-Empt without a good fit & control of the other 3 suits.

Pre-Empt is good if play is good.

{EW} can make 4/5C or 4S. {NS} maybe can make 1H.

{NS} aren't going to bid (much), A 3S Pre-Empt turns into game 4S, and then the points depend upon the play – good play, good score.

This is a pre-Emptive overcall after {E} opens 1D. {NS} need to freeze {EW} out of the bidding, so maybe a 4H (L8) overcall instead of the actual 3H might be better?

Apart from the 2 failed {EW} slam tries, 4H going off are top scores for {NS}. {EW} can make 5C or 5D. {NS} can make 2H (3Hx-1).
